

## Welcome back!

As we enter into the summer term, we hope that you have all had a lovely Easter break. Year 6 are busy preparing for the Key Stage 2 SATs. Next half term, Year 1 will be completing the Phonics Screening, Year 2 will be sitting the Key Stage 1 SATs and Year 4 will be doing their Times Table Check. Before Easter, Respect was the winning house with 884 points, followed by Diversity (748), Resilience (704) and Kindness (652). Well done to everyone in Respect! We also sent our special Headteacher Postcards to children who have been nominated by their class teachers for demonstrating out school values. It was lovely to read about so many children who consistently demonstrate all of our school values!

## Online Safety— Snapchat

Last half term, we were made aware of a number of incidents involving children at our school, where they had been inappropriately contacted via Snapchat. We would like to remind all parents and carers that Snapchat is for children aged 13 and over; no primary school aged child should be accessing this platform.

It is important that if you are made aware of an incident involving illegal behaviour online, you must report this directly to the police as soon as possible.

Parents and Carers Guide

Snapchat - NSPCC

## Reports

Spring data reports were emailed to all families who had given us an email address. Paper copies will be sent out to those parents or carers without an email address. If you have not received a copy of your child's data report, please contact the school office. At the end of the summer term, End of Year Reports will be emailed out to parents and carers in the same way; if you have not yet provided us with an email address, please contact the school office. We hope that by sending reports electronically, this ensures parents and carer have access to information more quickly.

## Parent Survey

Thank you to everyone who took the time to give the school feedback on the Parent and Carer survey. The Senior Leadership Team will be analysing the data and responding this half term to the school community. We will send a letter out later in the term.

## Friends of Irlam Endowed Social Media

Friends of Irlam Endowed have set up a Facebook account with information about all their events and fundraising to support the school.

To keep up-to-date with events and how you can be involved, follow their official Facebook account.

## Rock Kidz Visit

On 24th June, Rock Kidz will be visiting Irlam Endowed to work with all children on **Perseverance** and **Resilience**. A link to the Rock Kids website is available via the QR code

On the day, children can come dressed in their party clothes. We are asking for a contribution of **£3.50** for the event via Parentpay. However, if we do not get enough contributions, then we may need to cancel the event.

## Be an 'ally' badge competition

Back in February, we asked children to design a badge promoting the school value of 'diversity' as part of our LGBT+ History Month. The school councillors collected all entries and chose their favourite design: 1st place - Annaliese (Y2); 2nd place - Amber (Y2); 3rd place Willow (Y1). Well done to everyone who took part. The winning badge will be created professionally.

## Communication with school

To help improve our home school communication and to ensure messages reach the correct member of staff as quickly as possible, we have created an info-graphic to show who to contact at the school depending on the message. This can be accessed through the QR code .

## Assemblies and Personal Development

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
	15.4.24	22.4.24	29.4.24	6.5.24	13.5.24	20.5.24
Topic	Art Day	Passover	Autism Awareness	Bank holiday - no assembly	SATs week - no assembly	Walk to school week
